

WONDERNATION

WONDER-CAMP

WONDERNATION's Wonder-Camps are designed with the WHOLE child in mind. Wonder-Camps offer programming through play to stimulate learning and development.

Our goal is to foster independence, imagination, and critical thinking skills among children in a non-competitive setting. Led by experienced educators, each weekly camp offers lively, age-appropriate activities and holistic experiences. Each week features a UNIQUE THEME, with plenty of new projects for returning students.

Researchers estimate that 85% of a child's brain develops based primarily on their experiences during the preschool years

Campers will participate in daily/weekly components including, painting, drawing, drama, yoga, clay-working, dancing/movement, drumming, sports & more!

Weekly components will include:

- Outdoor activities
- Arts
- Fitness
- Skill Building
- Unique Experiences

Each weekly camp runs Monday through Friday, from 9:00AM - 1:00PM

Camp Fees: Camp Fee: \$225 for MB Residents / \$231 for Non-MB Residents.

Note: Receive an additional \$25.00 OFF per week if enrolled for all 5 weeks

Additional Materials Fee: \$35.00 per week, payable to "Wondernation" on first day of camp.
